

Stevens Hospital wants to help you understand your hospital bill. Here is a list of phone numbers you may need.

Questions about your hospital bill:

Please contact the hospital billing office at **425.640.4230** for help with:

- Questions about your bill.
- Applying for free or discounted care.

Please contact your insurance plan for questions regarding how your claim is processed.

Please call **425.640.4678** to inquire if you are eligible to apply for State or Federal benefit programs.

Patient Accounts Customer Service is located on the first floor of Stevens Hospital.

Questions about bills from other providers:

Many doctors, ambulance companies, and labs are separate businesses with their own billing and account procedures.

On the right of this sheet is a list of the groups that commonly provide care for patients at Stevens Hospital. If you receive a bill from them and have questions about it, please contact them directly.
